

# Auckland Sexual Health Service

---

## Introductory Seminar on Sexual Health (including STI's, HIV and AIDS)

*Unsure of what to say*

*Don't know how to approach the subject*

*Have a feeling something is not quite right*

In this two day seminar, you will be introduced to skills and information which will enable you to provide holistic care which acknowledges sexuality.

Subjects covered include: sexuality, diversity, sexual decision making, overview of STI's, HIV and AIDS, taking a sexual history, pre and post test counselling, providing sexual health for Maori and refugee issues.

---
